“Employers can claim thousands of dollars in federal tax credits for hiring qualified veterans and filing a few forms in a timely way. You can use these funds to offset recruiting, on-boarding and gap training costs. Don’t miss these benefits! Please share free copies of this Guide with other employers and associations!”

Brig. Gen. (ret) Marianne Watson, Director of Outreach, Center for America

This Guide for employers, prepared for Center for America by **Caplin & Drysdale**, provides a clear and concise understanding along with step-by-step guidance.

It includes internet links to the required IRS and DoL forms employers need to submit. Whereas most media articles generalize and leave out key eligibility and filing details, this Guide includes what you need to know to decide if your company is eligible and the specific steps to take to claim the credits.

The Guide covers three federal tax credit programs:

- Returning Heroes;
- Wounded Warrior; and,
- the Activated Military Reservist Credit for Small Businesses.
