“VEVRAA Compliance doesn’t have to be complicated, but it is easy to get confused. We developed this Guide for managers with limited time who need the most straightforward explanation of steps to be taken. This will clear up a lot of questions and tell you what you need to know. Please share free copies of this Guide with other employers and associations!”

Brig. Gen. (ret) Marianne Watson, Director of Outreach, Center for America

This CFA Guide, prepared by the law firm of **Baker & McKenzie**, provides a clear and concise understanding of the VEVRAA updates written in “business English” along with step-by-step guidance. It includes links to the OFCCP website for additional resources. Whereas most media articles generalize and leave out key details, this guide includes what you need to know to decide if your company is subject to the new veteran hiring requirements, and if so, how to comply.
